

FRB20231007B

A radio telescope image of the fast radio burst FRB20231007B. The image is a square field of view with a color scale from black (low intensity) to yellow (high intensity). A bright, circular source is visible in the lower-left quadrant. The background is filled with a noisy pattern of small, faint sources. A scale bar in the bottom-left corner indicates a size of 10 arcseconds.
