

FRB20231005A

The image displays a radio frequency spectrum plot for the fast radio burst FRB20231005A. The plot is a square with a black border, showing a color-coded intensity map. The color scale ranges from dark purple (low intensity) to bright yellow (high intensity). A prominent, bright yellow horizontal band is visible across the center of the plot, indicating a strong signal at a specific frequency. The background is a noisy, grainy pattern of purple and pink. In the top-left corner, the text 'FRB20231005A' is written in a large, black, sans-serif font. In the bottom-left corner, there is a horizontal black scale bar with the label '10"' centered below it, indicating a frequency range of 10 MHz.
