

FRB20231206A

10"

A radio telescope image of the Fast Radio Burst (FRB) 20231206A. The image shows a bright, elongated, and slightly curved source of emission against a dark, noisy background. The source is oriented diagonally from the bottom-left towards the top-right. A horizontal scale bar is located in the bottom-left corner, with the label "10\"" below it, indicating the physical size of the field of view.
